22nd National Technology Conference and Exhibition

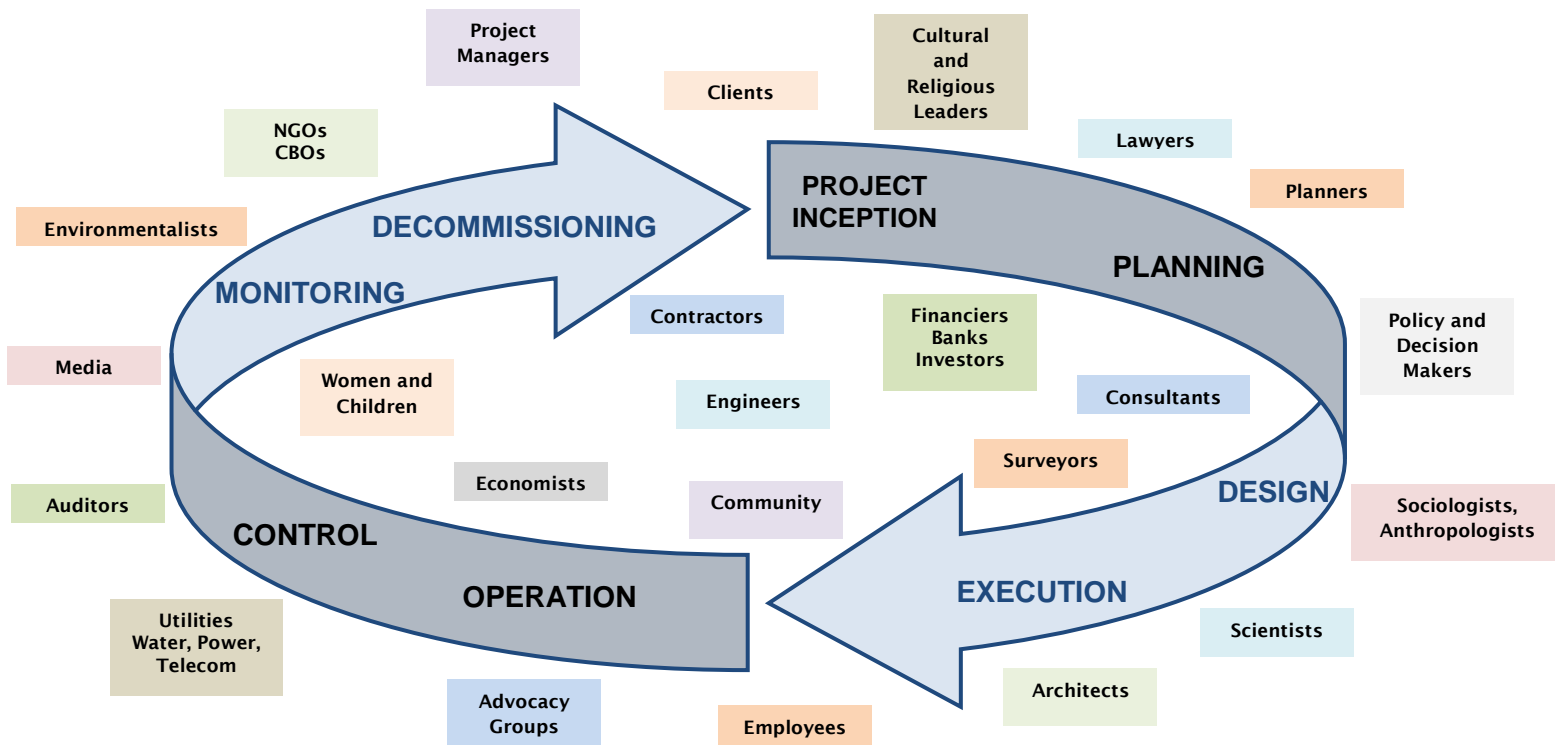

UIPE NTC2017

Stakeholder Management: A key to the success of Engineering Projects
27-28 April 2017
Kampala, Uganda

First Call for Papers and Posters

The 22nd Annual National Technology Conference and Exhibition (NTC2017) will take place from 27-28 April 2017 in Kampala, Uganda. The NTC is the regular forum for dissemination and sharing of engineering knowledge, innovations, or solutions, and promotion of science. It attracts over 200 participants, providing an excellent opportunity to the engineering fraternity and Uganda Institution of Professional Engineers (UIPE) for exchanging ideas.

Due to the wide range of issues discussed, the conference is of interest to engineers, consultants, educational institutions, industrialists, manufacturers, economists, development specialists, government bodies, students, and society.

Guidelines for Presenters:

Share your strategies, experiences, case-studies

Submit your abstracts by email to ntc@uipe.co.ug and ewozei@ucu.ac.ug addressing the NTC2017 theme "Stakeholder Management: A key to success of Engineering Projects" and sub-themes including, but not limited to: Stakeholder Identification, Stakeholder Empowerment, Managing Expectations, Emotional Intelligence, Effective Communication, Human Resource Management, Team Management, Cost Management, Scope Management, Time Management, Quality Management, Risk Management, Procurement Management, Project Post-handover.

Abstracts should be Word documents, in 12-point Times New Roman font, not exceeding one (1) A4 page. Presenters are welcome to submit full papers not exceeding eight (8) pages together with the abstract. Papers and posters may be research papers, reports, case studies, etc. The papers and posters will be peer-reviewed, and selected abstracts and papers published in the NTC Conference Proceedings.

Exhibitors may contact the UIPE Secretariat for more information.
